The Best Christmas Pageant Ever

Synopsis

The Herdmans are the worst kids in the history of the world. They lie, steal, smoke cigars, swear, and hit little kids. So no one is prepared when this outlaw family invades church one Sunday and decides to take over the annual Christmas pageant. None of the Herdmans has ever heard the Christmas story before. Their interpretation of the tale -- the Wise Men are a bunch of dirty spies and Herod needs a good beating -- has a lot of people up in arms. But it will make this year's pageant the most unusual anyone has seen and, just possibly, the best one ever.

Customer Reviews

Here's a simple, enchanting tale. It's warm and funny and thoroughly unpredictable. It's published in a short and skinny book in large type and, assuming you can tear yourself away from the story, it can be read in small spurts. The Herdmans are absolutely and without question the worst kids "in the entire history of the world." They are guilty of every unmentionable childhood crime and have thought of more than a few original ones. When they take over the church Christmas pageant (although none of them has ever attended church, much less heard the Christmas story before), the first Christmas becomes new and real in some pretty surprising ways. Nevermind that the publishers call this a children's story. It isn't. The vision it has to offer is hilarious yet deeply touching in a profound yet innocent way. Stock up on copies for Christmas gifts to teachers and friends. I'd give one to the

friend who wails that Christmas has become too commercial or to the harried mother of a lively brood or to someone who dreads the holiday. And keep one for yourself because it's almost as much fun each time you read it. Merry Christmas!

is the opportunity to revisit your childhood. First, Dr. Suess, then The Saggy Baggy Elephant, and now the Herdmans. I have loved reading since I was five years old. One of my most important goals is to pass that love of books on to my two daughters. I'm no expert, but sharing books that make me happy with them seems to be a good way to start. The Best Christmas Pageant Ever is a story about THOSE kids. You know--the ones you avoid sitting next to at Pizza Hut. The ones who show up at church once or twice a quarter, when someone brings them. The ones you feel sorry for but secretly compare to your own kids to make yourself feel good about how well-mannered, smart, attractive your kids are. THOSE kids, the Herdmans, show us that Christmas isn't just about our own families and our safe, secure homes, but about THOSE kids--the unwanted, nasty, obnoxious, dirty kids with whom we don't want our kids associating. The point of the story is that we should open our eyes and see them as Jesus saw the little children and open our heart to love even the barely lovable. This story is one that will grow with your children. As they mature, you can help them get more and more out of this story. It's definitely a repeat from one holiday season to the next. I would recommend getting the hardback version so that it will last longer.

My Dad and his wife sent my family this book for Christmas one year, and I read it at bedtime to my 7 year old son and 9 year old daughter. Although we were only going to read a chapter every night, they begged me to keep reading, and I didn't want to stop, either. The Herdman children give us a fresh perspective on the traditional Christmas story, and show us that anyone can be touched by the true meaning of Christmas. A story that young and old can relate to, it made us all laugh and some of us cry. I plan to read this book every year, out loud. A wonderful, touching story. Only one word of warning - there are a handful of "naughty" words in this story, since the Herdman children are a bit rude. You can substitute something more suitable as you read to children, but don't pass by this great story because of it.

I've been collecting children's Christmas books for seventeen years, since my oldest child was a baby, adding a few more to the collection each year, but without a doubt this is the best one I have. I first read it when my oldest was six and I've re-read it every Christmas since, and not only have I never gotten tired of it, but I can't imagine Christmas without it. The story is about a church

Christmas pageant in which the Herdmans, the wildest, toughest kids in town, move in and take over the main parts. Mary smokes cigars. The Wise Men steal. And the Angel of the Lord is more likely to smack the shepherds in the teeth than bring good news. Everyone in the church is scandalized, of course, but trying to fit the totally unsuitable Herdmans into their Biblical roles makes for one hilarious story after another. When you can get an adult and a six year old laughing out loud at the same things, you know you've got a special children's book. If all this book had was its humor, it would be a treat, but it is a lot more than that. Under all the great jokes is another more moving story. The Herdman kids are hearing the story of Jesus' birth for the first time, and their reactions — shock that anyone would put a baby in a feeding trough, fury at Herod's attempt to kill the baby, amazement at the angel's miraculous appearance to the shepherds — renew the meaning of the story for those of us who have heard it hundreds of times. Little by little they become more and more effected by the story and it changes them. In the end, this is not just a funny book, but a powerful story of redemption. Through most of the book, I can't stop laughing, but by the end I am always reading through tears, even after having read it eleven times.

Although one of the older books, "The Best Christmas Pageant Ever" is a great book to read. Imogene and the rest of her family [The Herdmans] are the worst kids ever known. They are so bad the teachers don't even let them stay back a year in school. So no one can believe it when they get mixed up with the church Christmas pageant. As you can imagine this turns out to be a hilarious story and you never know what's going to happen next. A great book for ages 8+.(melanie age 11)
