While Murray's book is only around 130 pages, there is plenty of spiritual insights for anyone interested in the Holy Spirit. Among the important points covered in the book include:

1. God comes to those who wait on Him.
2. Those who wait on the Lord will see Him work in far greater ways than they can imagine.
3. God will use despair to break us of our self-life and self-confidence. The world's influence on us is so strong that we often have to withdraw from it.
4. God wants to prepare His people for a life of victory.
5. Dying to self and humbling ourselves before the Lord will result in the blessing of the Holy Spirit.
6. We must admit our utter impotence and helplessness to experience the fullness of the Holy Spirit in our own strength.
7. Use the blessings God gives you to benefit others.
8. During times of discouragement, rest in silence before God and hold fast to your integrity.
9. God holds Himself responsible for your future and will provide for us as we walk in the fullness of His Spirit.

Read, enjoy, and be challenged to let the Holy Spirit get more of you! Highly recommended.

EXCELLENT is the only word that I can think of for this book. It conveys all of the vital points necessary for spiritual growth that every believer should know and learn more about. Andrew Murray does a superb job of teaching you. Excitement will grow inside of you as you read this book. The Holy Spirit is revealed in these pages and comes alive to you! After you have read this book, you'll want to change your life, increase your relationship with Christ through His spirit, and then share with others what this book has done for you so that, hopefully, it will have the same affect on them that it had one you. This book will get your spiritual fire burning -- NEVER to become dim! Buy this book today and experience the fullness of the Holy Spirit in your life!

Many books I've read on the Holy Spirit focus exclusively on the individual. (That's not a complaint. :-)) This book ties in the role and importance of the Body of Christ. Outside of Watchman Nee's books Communion of the Holy Spirit and The Breaking of the Outer Man and the Release of the Spirit this is the most profound and enriching book I've read on the Holy Spirit. Transforming. A must read.

Thank God that Whitaker House keeps printing books written by Andrew Murray! If it were not for Whitaker House publishing their books, we would not have Murray books to share with others (as well as study ourselves). All five of my Andrew Murray "Believer's Secret" books, published by Bethany House Publishers, are out of print. Charles Finney and Andrew Murray wrote the best books on the Holy Spirit, Prayer, Revival, and Holiness that I have ever read. You cannot go wrong buying any Murray books published by Whitaker House! So I say again, thank God for Whitaker House! I believe those of you who enjoy Finney and Murray will also enjoy "Prayer Steps to Serenity The Twelve Steps Journey: New Serenity Prayer Edition [Paperback]" which teaches truths that I learned from studying Finney and Murray for many years. The book follows a 12 Steps and Serenity Prayer format. If you know of anyone who is looking for a 12 Step devotional that will help them walk in the power of the Holy Spirit according to the scriptures, you can heartily recommend this book to them.

This book provides insight into what it really means to die to self. Andrew Murray in much of his writing, shows that to really experience the fullness of the Holy Spirit and the power of God, we need to be truly empty of self, and yielded to the working of God in and through us. I believe that the modern Church has missed much of God's power. This book, along with the Bible, and with an open heart, can do much to change how we view what it means to be filled with the Holy Spirit.

This ebook is a must read for Christians and new believer in Christ Jesus, on how to know if they have received the Holy Spirit. It also includes the importances of the Pentecost when the believers of Jesus were first given the Holy Spirit. This ebook will help teach you how to strengthen your faith, and submit your will over to God, so you can receive this greatest of all blessings. The language might be a bit dated in the text, but it won't take away from the message. I highly recommend this ebook, and if you do purchase it discuss it with your religious leaders that can give their interpretation of the meaning of the Holy Spirit. May you be blessed on your quest.

Andrew Murray brings the reality of the Holy Spirit right into your heart. Meditate on what he highlights from God's Word and you will get a deeper understanding of how the Holy Spirit is the rightful heritage for believers as sons and daughters of our Heavenly Father. Reading this gave me a stronger desire to experience the Pentecostal blessing that should be just as real today as it was for Jesus' disciples.

The book and the information in the book was really good. This was my first time reading a book from this author so I was very impressed. The only problem I had with the book was the printing of the book. The ink on the pages didn't print very well. In other words some of the words came out like oly instead of holy. That was a bit disappointing.
