Trinity And Revelation: A Constructive Christian Theology For The Pluralistic World, Volume 2

Synopsis

In this book Pentecostal theologian Veli-Matti Karkkainen develops a constructive theology of triune revelation and the triune God in dialogue with Christian tradition, with contemporary theology in its global and contextual diversity, and with other major living faiths. Karkkainen's Constructive Christian Theology for the Pluralistic World is a five-volume project that aims to develop a new approach to and method of doing Christian theology in a pluralistic world at the beginning of the third millennium. With the metaphor of hospitality serving as the framework for his discussion, Karkkainen engages Judaism, Islam, Buddhism, and Hinduism in sympathetic and critical mutual dialogue while remaining robustly Christian in his convictions. Never before has a fullscale doctrinal theology been attempted in such a wide and deep dialogical mode.
