Georgia (America The Beautiful, Third)

Synopsis

The last of the 13 original colonies to be established, Georgia is the largest state east of the Mississippi River. Readers will trace the history of this remarkable state from its earliest settlement to its latest developments. They will also dive into the local culture, see the states many fascinating sights, and learn about its economy.

Age Range: 10 - 13 years

Grade Level: 5 - 8

Customer Reviews

We purchased this book to supplement our local social studies and field trip exploring materials, because we have the Florida book, which we picked at a Scholastic book warehouse sale, and we really like it. This is a light and breezy intro to the state that touches on many subjects (including geography and topography, which many of these types of books exclude). We will likely collect more of these for other states as we find them, but we live on the FL-GA line and the two we have are the most pertinent to us right now. ;)
