# Beyond The Sorrow: There's Hope In The Promises Of God

## **Synopsis**

People everywhere are facing difficult situations and they need to know how to cope with the frustration and overwhelming emotions that accompany any uncertain situation. This book of hope from Tammy Trent interweaves third-person stories and letters of people who needed-and found-encouragement. We're not alone in our fight...in our struggles ...in our loneliness...or in our questions. Other people are going through tough times too, and are pressing on through the storms. It's usually easier for us to press on when we see that others have gone before us and have found joy again. We often need others to stand in the gap for us, when we cannot stand on our own during those difficult times. If we look-if we watch, we'll see and notice that we are never alone. When it's more then we can bear-Jesus stands in those gaps for us. He is able. Give it to God and let Him put your life back together again!

## **Book Information**

Hardcover: 128 pages

Publisher: Thomas Nelson (June 21, 2005)

Language: English

ISBN-10: 1404102140

## **Customer Reviews**

In September 2001, Tammy Trent and her husband --- Trent, from whom she gets her pen name --- headed to Jamaica for a trip that was to be part vacation, part missions trip. An experienced scuba diver, Trent went out for a free dive on September 10th. He never returned. On September 11th, as a search and rescue effort was underway, Tammy watched on TV as planes plowed into the World Trade Center and later that night she identified her husband's body. It surely felt like the world was coming to an end. "When I first lost my husband, it seemed impossible to even breathe. Shock, then sadness, and sometimes fear, literally took my breath away," she writes in BEYOND THE

**SORROW.** In the book, Tammy shares her own story, relaying the lessons she's learned and encouragement she's received. Such books, especially those packaged like this one and obviously intended to be given to friends and family experiencing grief, can easily devolve into a regurgitation of platitudes. But this is not the case here. Tammy is honest about the lack of easy answers and vulnerable with her pain throughout. The result is part confessional, part "how-to" (survive losing someone you love), part motivational speech, part theological lesson. BEYOND THE SORROW is a deceptively small book for the large emotional punch it delivers. Four years after losing her husband, Tammy's pain is still close to the surface. "As a young married couple, we thought we'd have a long lifetime to grow old together. We had just begun to talk about starting a family when he was taken from me. If you could see me sitting here, you'd see a woman who's still very broken.
