5 Minutes With Christ: Spiritual Nourishment For Busy Teachers

Synopsis

These inspirational reflections on Christ as Teacher provide educators with the spiritual nourishment they need during their busy days. Crafted by graduates and associates of the University of Notre Dame's Alliance for Catholic Education (ACE) program, the most prestigious Catholic teacher-training program in the United States, each reflection is based on an event in the life of Jesus and invites the reader to connect with him in the chaos of daily life. In these Gospel reflections, educators will find comfort and strength in the life of Christ the Teacher. The contributing authors draw from their own teaching experiences to provide personal and insightful reflections into what it means to be a Christian teacher with the challenges that each day brings. Each reflection follows a simple format: an excerpt from one of the gospels, a personal reflection by a teacher, and a short prayer. Teachers can use these reflections and prayers as starting points for their own daily devotion or as resources to use in the few minutes they have to pray during the school day. Teachers--particularly those in Catholic schools--are in constant need of spiritual enrichment and inspiration. *5 Minutes with Christ* is created to meet this need. This resource is ideal for teacher retreats and spiritual learning communities among faculty members.

Customer Reviews

I love this book! I met Fr. Lou through Remick Leadership at Notre Dame and so enjoyed listening to his stories. I recently used his introduction to *Five Minutes with the Saints* with our Catholic high school faculty retreat. I have continued to share a reflection with the faculty each week. What I most

enjoy is that the reflections are written by Catholic teachers and principals for Catholic teachers and principals. There are many books out there that are directed toward student faith development. Five Minutes with Christ is by far the best I've found that addresses faith development for adults in Catholic schools.
