I absolutely love this book! I ordered it for a college course and learned so much about the Old Testament! This book allowed me to take a step back and actually process what was happening Before Christ. It has transformed how I read the Bible.

Exactly what I needed as and addition to my library. Easy reading. Quality of book very good would recommend to biblical students as well as other pastors. Consider the Encountering the New Testament as well to complete your studies.

Excellent book clear, useful, text with gobs of extra material. Nice thick pages, and visually stunning. I had to buy this one for a class but after I bought the New Testoment one too.
