# Open The Door To Liberty

## **Synopsis**

The story of revolution leader Toussaint L'Ouverture of St. Domingue (now Haiti). The island now known as Haiti was once a French colony called St. Domingue, where white plantation owners forced hundreds of thousands of African slaves to farm sugar cane. Toussaint L'Ouverture was one of those slaves . . . but not for long. The day would come when L'Ouverture would lead his island's slaves into a revolution for freedom, and his efforts would influence the course of world history.

## **Book Information**

Lexile Measure: 1000L (What's this?)

Hardcover: 80 pages

Publisher: HMH Books for Young Readers (January 12, 2009)

Language: English

ISBN-10: 0618605703

ISBN-13: 978-0618605705

Product Dimensions: 7 x 0.4 x 9 inches

Shipping Weight: 14.4 ounces

Average Customer Review: 4.0 out of 5 starsÂ See all reviewsÂ (4 customer reviews)

Best Sellers Rank: #1,135,420 in Books (See Top 100 in Books) #76 inÂ Books > Children's Books > Education & Reference > History > Central & South America #1484 inÂ Books > Children's Books > Biographies > Multicultural #3070 inÂ Books > Children's Books > Education & Reference > History > United States

Age Range: 10 - 12 years

Grade Level: 5 - 7

## **Customer Reviews**

Gaou-Guinou and Pauline didn't have much hope for their "skinny, puny baby boy." In fact they didn't think he was going to live. A prophetic, "African-born slave" had predicted big things for this child, but it was obvious she was mistaken. When Francois-Dominique Toussaint (later named L'Ouverture) was a boy he didn't like being called "Little Stick" by his peers, but perhaps that was the type of taunting that shaped his character. His godfather noticed that he was "remarkably intelligent" and began to tutor him. Toussaint, as he was called, saw how cruelly some slaves were treated. He was a thoughtful young boy and he read about Raynal, who predicted "one day a leader would rise up from slavery" and lead his people. The young boy began to dream that he would be that leader. When he was thirty-three, his master freed him. He was intrigued by "liberty, equality,

and brotherhood," but it wasn't until he was almost fifty that he would begin to lead his people in battle. Toussaint "had led the first triumphant slave rebellion in history," but there were things on the horizon that could not have been foretold. The "Man of Destiny," Napoleon, had his eyes set on St. Domingue. He wanted to get rid of Toussaint and restore slavery by force. Could this little man survive the wrath of a man as driven as himself? Would slavery once again visit the island? This was a fascinating biography of an unsung hero who deserves to be remembered around the world. St. Domingue, now Haiti, is a country that is seldom discussed in classrooms outside of geography lessons. Toussaint L'Ouverture, according to the author, struck her as a "genuine hero, only not myth or legend, but recorded history.
