# Queenie: One Elephant's Story

## Synopsis

The true story of one of the most famous elephants of all time: Queenie, the gentle Indian elephant. Evoking a time when elephants were giving rides in zoos all around the world, the true story of Queenie follows her from her birth in an Indian jungle to Australia's Melbourne Zoo, where she lived for more than forty years, giving rides to children. Thousands of kids loved Queenie, celebrated her birthday, and sent her letters. But in an event still not fully understood, Queenie crushed one of her keepers in late 1944. Was she mistreated or bored? Was it an accident? No one knows, but zoos have changed since Queenie's time. Plainspoken and honest, this gentle account shows the good, the bad, and the evolution of zoo philosophy. Queenie's story is a thought-provoking steppingstone for discussion of a complex, difficult topic.

## Book Information

Lexile Measure: 870L (What's this?)

Hardcover: 24 pages

Publisher: Candlewick (June 11, 2013)

Language: English

ISBN-10: 0763663751

ISBN-13: 978-0763663759

Product Dimensions: 10.4 x 0.4 x 9.5 inches

Shipping Weight: 15.2 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars (See all reviews) (1 customer review)

Best Sellers Rank: #2,250,410 in Books (See Top 100 in Books) #45 in Books > Children's Books > Education & Reference > History > Australia & Oceania #250 in Books > Children's Books > Geography & Cultures > Explore the World > Australia & Oceania #741 in Books > Children's Books > Animals > Elephants

Age Range: 5 - 8 years

Grade Level: Kindergarten - 3

## Customer Reviews

QUEENIE is a gorgeously illustrated children's book that tells the story of Queenie, an Asian elephant that was captured in the wild and brought to the Royal Melbourne Zoo in Melbourne, Australia. She arrived at the zoo in 1902 and almost immediately was put into use giving elephant rides. She was one of the most popular attractions at the zoo for over forty years. Most people loved Queenie, but some boys used to tease her. Queenie was no fool and eventually got the boys back.

In 1944 there was a probable accident and Queenie killed one of her keepers. She was suspended from giving rides and due to the food shortage because of World War II, Queenie was put to sleep. The book ends by illustrating how zoos and the habitats for elephants have changed at the Melbourne Zoo. Although QUEENIE can be read as an examination of how poor zoo conditions were a century ago, the book is really a long love letter to one very memorable animal. The illustrations in the book are beautiful and are done in a style reminiscent of the photographs and postcards from the time period. Overall, QUEENIE is a beautifully illustrated, but sad childrenâ™s book about one unforgettable animal, Queenie the Elephant.
