# No Talking

## Synopsis

It's the boys vs. girls when the noisiest, most talkative, and most competitive fifth graders in history challenge one another to see who can go longer without talking. Teachers and school administrators are in an uproar, until an innovative teacher sees how the kids' experiment can provide a terrific and unique lesson in communication. In *No Talking*, Andrew Clements portrays a battle of wills between some spunky kids and a creative teacher with the perfect pitch for elementary school life that made *Frindle* an instant classic.

## Book Information

Lexile Measure: 820L (What's this?)

Paperback: 160 pages

Publisher: Atheneum Books for Young Readers; Reprint edition (June 23, 2009)

Language: English

ISBN-10: 1416909842

ISBN-13: 978-1416909842

Product Dimensions: 5.1 x 0.5 x 7.6 inches

Shipping Weight: 3.5 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (198 customer reviews)

Best Sellers Rank: #8,319 in Books (See Top 100 in Books) #69 in [Books > Children's Books > Growing Up & Facts of Life > Family Life > Parents](#) #156 in [Books > Children's Books > Growing Up & Facts of Life > Friendship, Social Skills & School Life > School](#) #323 in [Books > Children's Books > Growing Up & Facts of Life > Friendship, Social Skills & School Life > Friendship](#)

Age Range: 8 - 12 years

Grade Level: 3 - 7

## Customer Reviews

Not all Andrew Clements novels are created equal, and that's a fact. I mean, don't get me wrong. This is true of most children's authors. But sometimes I feel that with Clements, he's always readable. Even if you feel that one book of his is better than another, that doesn't mean that kids aren't going to read them all equally like mad. I maintain the paperback fiction portion of the children's room in which I work, so I've seen firsthand the levels of sheer maniacal energy that go into keeping that area stocked. Turn around for two seconds and FOOM! There go all your copies of *Frindle*, *The Landry News*, and *Lunch Money*. And while I've always kind of enjoyed Clements, none of his books really struck me as something I would have liked to have read when I was a kid.

Then I picked up "No Talking". Oh brother, oh sister, oh me, oh my. This. Book. Is. Great. Yes, it has a little bit of learning. A teensy bit of a moral stuffed in there. But to me, this is Clements at the top of his game. Tapping into the essential rivalries that exist between boys and girls, this book is just pure fun and that's a fact. A must read for Clements fans and an enjoyable jaunt for the rest of us. Let me tell you a little something about the fifth-graders of Laketon Elementary. The teachers there call them The Unshushables for a reason.
